

SOUTHMOOR FOUNDATION OPEN MORNING

Please join us in celebrating all that Southmoor Primary School has to offer in 2024. Take a peak within the classrooms, get an insight into our specialist programs and just as importantly enjoy the opportunity to talk with current Foundation parents. There will be activities for children and tours for any prospective parents. We are incredibly excited for you to take a look around our wonderful school.

What to expect:

At Southmoor Primary School you can expect to see a synthetic approach to phonics instruction, Explicit Direction Instruction, a strong mathematics program, SWPBS approach to wellbeing, STEAM integrated throughout the school, Stephanie Alexander Kitchen Garden Program and much, much more.
